

Get involved with La Casa!

How it Works

Choose from options 1 & 2 or choose both!

1

Fundraise

Help support our life-saving Services

With a group of employees or your employee resource group raise critical funds for La Casa's 24/7 crisis services and emergency shelter. **Every \$100 raised, provides a night of safety to a mother and child at La Casa's shelter.** We can set up a unique fundraising page for your team (at no cost to you) to donate, share, and track with a thermometer that shows total giving. Set your own goal and timeline. No minimum required and if you do not meet your goal - no pressure! Make your team's donation go further by activating your workplace's employee matching program.

Make a difference & build a violence free future for all.

Opportunity Overview

La Casa de las Madres' volunteer events focus on raising awareness about domestic violence, supporting La Casa's' mission & developing resources to champion survivor healing and safety.

Create Toiletry Go-Bags

Help us support survivors basic needs to make it easier for them to focus on healing wounds and moving themselves and their families forward.

Create Welcome Cards for La Casa's Shelter

Create a welcome card for a woman or child who is staying at La Casa's emergency domestic violence shelter. Send a supportive & caring message, draw a picture, or write a poem! Your thoughtful words remind a woman in crisis that there is a community that cares & believes in a brighter future.

Build Bracelets for Teen Dating Violence Awareness

Orange is the awareness color for Teen Dating Violence Awareness Month. Help us build La Casa's signature orange beaded bracelets, distributed to teens and their allies each February and learn why talking about healthy relationship with young people is critical! The activity can take place any time of year.

Supplies

La Casa de las Madres is a 501(c)(3) nonprofit organization. We ask that volunteer groups donate the materials required for these events. The estimated costs depend upon project and participants, ranging from \$1.00 per bracelet constructed to \$15 per toiletry kit. Request a meeting and La Casa's online project wishlists to learn more.

Support Our Work

We ask that volunteer groups to consider donating \$25 per volunteer to help us sustain our 24/7 emergency services. Every \$100 = 1 night of safety for a survivor.
